📘 GracePlaceSchool

Grace Place School is a registered 501(c)(3) non-profit. All donations are tax deductible.

You can  
*pave the way!*

Florida ranks **#3** in the nation for human trafficking cases.

Grace Place School strives to keep South Florida's youth free from sex trafficking and other destructive lifestyles by providing life-changing opportunities for at-risk teens.

With the expertise of trained teachers, counselors, and other professionals, we support students with:

<p><b>Job and life skills training</b></p>	<p><b>Alternative educational instruction</b></p>	<p><b>Business development classes</b></p>
--	---	--

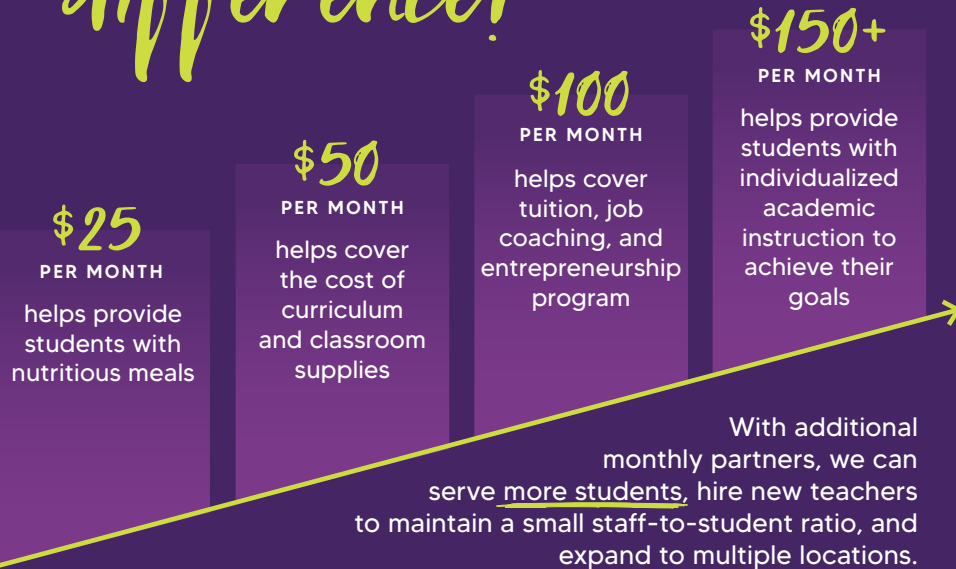

However, the majority of our students can't afford tuition. Our **Path Pavers** make it possible for students to participate in our programs at no cost to them.

**Path Pavers are devoted, compassionate people who are investing in Grace Place School monthly.**

These monthly partners are crucial in helping us expand existing programs and reach new communities, protecting more youth from exploitation.

Your monthly gift makes a *difference!*

“ Before coming to Grace Place I didn't make the best choices. Now I know what's right and wrong. I've become a better person since coming here. *Thank you for finding me.* ”
